Discipline: Positive reinforcement is our ONLY form of discipline

- Find something to love in each child
- Praise the children everyday
- Be fair and consistent.

Harsh language by anyone or any violation of the child's personal rights will not be tolerated. In case a child doesn't respond to positive reinforcement, then we will schedule a parent conference to discuss the matter and solution that both parent and A Place to Grow staff members are satisfied.

Medical and Dental Emergencies: Our facility accepts over the counter medications as well as prescription medicines. The latter will be given only as prescribed by the doctor. No exceptions to this policy. If a child is sick we will call a parent, guardian or any other responsible adult listed on the emergency card. If the parent is not reachable at the time we will call 911 if it is a medical emergency per your contract.
